**Dear Helping Neighbors,**

The Fallbrook Healthcare Foundation is looking for volunteers to assist in the operation of the Foundation's three core programs: The Care Van, the Senior Care Advocate program, and the Fallbrook Adult Day Care Center. As you know, the Fallbrook Healthcare Foundation's programs have a special focus on Seniors in the communities of Fallbrook, Bonsall, Rainbow, and De Luz. The Volunteer program is a key link to the Foundation's continued success and fiscal security. Please look at the following volunteer opportunities that can be done to assist the Foundation's clients and staff.

Sincerely,

Morgan Cadmus  
Program Manager  
Fallbrook Healthcare Foundation

With over 5,000 free rides provided to Seniors and the Disabled annually, the Care Van program is a success story for many. The Care Van, dependent on donations, sponsorships, grants, and bequests, offers Seniors and the Disabled free transportation to medical appointments, pharmacies, Senior Center, the local grocery store, and more. The Care Van serves Fallbrook, Bonsall, Rainbow, and De Luz.

*The Care Van runs five days a week in eight hour shifts.*

The Foundation Newsletter Team is a crucial element to supporting the Foundation and its three core programs: The Care Van, the Senior Care Advocate, and the Fallbrook Adult Day Care Center. The Foundation distributes a monthly newsletter to inform and update Helping Neighbor members and the general public about the Foundation's programs, successes, and opportunities to help. A volunteer is needed to assist in the organizing, writing, and printing of the monthly newsletter.

*Approximate time needed to complete tasks- Eight hours/week*
