LOCATION: *First Christian Church, 318 W. Fig St., Fallbrook (across Mission from Library)*

Note: Because of the class time, brown bag dinners are encouraged. Coffee and water are provided.

TEXTBOOK AND MATERIALS: Participant manuals will be available at class. There is a printed materials fee of \$20 (classes are free), due April 3. Chapters should be read before class. Quizzes are open book. An emergency backpack is provided to those who complete the course.

SATURDAY'S DRILL AND GRADUATION is where the training becomes "reality" in a "hands-on" disaster simulation drill. Students will need to bring leather and nitrile or vinyl gloves, mask, goggles and flashlight. Clothing for the drill includes: long sleeve shirt, long pants and boots.

JUNIORS: Young adults ages 13 to 17 are welcome to participate in CERT training as a part of our Junior CERT Training Program. To do so, at least one parent **MUST** be in training at the same time in the training classes.

ATTENDANCE: FEMA regulations require attendance at all classes (or make-up classes) for certification as a Disaster Service Worker. Participants may choose to defer or decline such certification. Additional class work may be required.
